

Course Information

Foundation Degree in Work with Communities and Young People

LEVEL	COURSE AREA	CAMPUS	COURSE CODE
4	Higher Education	Nuneaton	E0140

ABOUT

This course will provide an accredited qualification and an opportunity for continuing professional development both for workers with a wealth of experience and those who are looking to establish themselves in the field of Youth and Community Practice. It offers a transformative learning experience with the opportunity to understand and develop practice underpinned by relevant theory. Students will discuss, analyse and explore issues relating to both young people and community development work.

Students will be assessed by assignments, case studies, group work assignments and portfolios in developing practice.

Graduates has progressed into relevant careers or further studies.

If you already hold a certificate of education for the first year of this course, you can apply to start this course in the second year.

We will accept students on a part-time basis as well as full-time.

This course is taught by NWSLC, but accredited by De Montfort University.

At NWSLC, we always aim to support you by giving you a range of information, advice and guidance. If you would like to talk to anyone regarding your options, please do get in touch. You can make a enquire to our IAG advisors here: guidance.team@nwslc.ac.uk
