LEVEL 3	COURSE AREA Full-Time	CAMPUS Hinckley	COURSE CODE X0012
-------------------	---------------------------------	---------------------------	-----------------------------

ABOUT

This course will help you to develop your interior design and prepare you for work in a design related employment. You will learn in the fully equipped design studios, and the modules are either taught by our experienced lecturers in our design workshops where you will be introduced to drawing skills, colour theory and styling, computer aided design (CAD), conceptual and spatial thinking to help you understand the creative design process and develop ideas for a client brief. There will be visits to exhibitions, galleries and trade fairs to gain a more rounded understanding of the industry and its history. You will be based at our specialist Creative campus at Hinckley and have access to the latest design software in our tech suites.
