

Course Information

Intermediate Body and Paint

LEVEL	COURSE AREA Part-Time	CAMPUS Nuneaton	COURSE CODE V0455
-------	---------------------------------	---------------------------	-----------------------------

ABOUT

Time: 6pm - 9pm

This is a leisure course, held over 12 weeks, 3 hours per session, designed as a follow on from the initial evening class course.

It can be tailored, within reason, to suit the interests or needs of the individual.

From the application and shaping of body filler, application and preparation of paint surfaces, to fabrication and welding of repair panels, to the final top coat finish, this course offers a wide scope of basic skills, employed within the Paint Refinish/Body Repair and Classic Vehicle Restoration industry.

MODULES

- Application and shaping of body filler
- Application and preparation of paint surfaces
- Fabrication and welding of repair panels
- Final top coat finish

MODE OF STUDY
