

Apprenticeship Level 2 Warehouse Operative

LEVEL 2	COURSE AREA Apprenticeships	CAMPUS	COURSE CODE W0130
-------------------	---------------------------------------	--------	-----------------------------

ABOUT

As a Supply Chain Operator you will manage the movement of goods for a variety of customers across all sectors. Different customer bases range from large global organisations to sole traders and private customers in local areas, depending on the organisation.

MODULES

- Supply chain practices and processes - including modes of transport, industry structures, technology and systems
- Communicating effectively with colleagues, customers, third party carriers and other organisations - including telephone, face-to-face and email communication
- Using industry-recognised systems and associated services
- Monitoring the use of equipment and machinery
- Time and process management - including achieving objectives and reviewing and improving methods of working
- Specialist removals operative or traffic office skills
- Health and safety practices, procedures and regulations within a supply chain environment.

ENTRY REQUIREMENTS

Entry requirements are a Level 2 qualification in a relevant subject or relevant work experience depending on the employer
