Sports Academy

Do you want to continue playing the sports you love, and develop as an athlete whilst completing your academic studies?

The Sports Academy is a talent development programme designed to help you be the best athlete you can be in your chosen sport.

Sports Academy sessions are scheduled to fit around your academic timetable with each squad having the opportunity to train twice a week and play in county, regional and national competitions.

All academy teams will play competitive fixtures on Wednesday afternoons in the Association of Colleges Leagues.
