IMPORTANT INFORMATION

Please note that due to the supervised work, treatments will take longer than they would by fully qualified staff. Calls and enquiries may also be answered by students and we thank you in advance for your support and patience with this.

As a client, we want to make you aware of the importance of testing for allergies prior to colouring treatments for Beauty Therapy (eyelash/eyebrow tint) and Hairdressing. Even if you have had previous skin tests, a reaction cannot be ruled out. You will be given proof of your skin test from reception with the date of the test. This is valid for two weeks and must be done at least 48 hours before Beauty Therapy and Hairdressing appointments. Please bring this with you on the day of the appointment. Failure to do this will result in you not being able to have your treatment on the day.

Some conditions such as epilepsy/diabetes etc. will require a doctor's note for treatment. Please enquire when making your appointment to prevent disappointment.

Please also note that children are not permitted in the beauty salons.

The College very much appreciates your custom and help in supporting students in the successful achievement of their qualifications.
